The City of Wixom Potter Road Safety Path September 2010

Work on the Potter Road safety path has been completed. The contractor will be working on cleaning up the site, restoring lawns & sprinklers and installing trees over the next few weeks. If there are any special clean up or repair items that need to be addressed on your property please notify Rick Grant at 248-535-3390.

Thank you for your patience during the construction of the safety path. Your cooperation is greatly appreciated and responsible for making this a successful project!

Additional information, including project updates and frequently asked questions, can be obtained from our website: http://www.hrc-engr.com/project_sites/wixom
